

National Credit Union Administration

§ 715.4

(2) Perform or obtain a supervisory committee audit, as prescribed in § 715.4 of this part;

(3) Verify or cause the verification of members' passbooks and accounts against the records of the credit union, as prescribed in § 715.8 of this part;

(4) Act to avoid imposition of sanctions for failure to comply with the requirements of this part, as prescribed in §§ 715.11 and 715.12 of this part.

§ 715.4 Audit responsibility of the Supervisory Committee.

(a) *Annual audit requirement.* A federally-insured credit union is required to obtain an annual supervisory committee audit which occurs at least once every calendar year (period of performance) and must cover the period elapsed since the last audit period (period effectively covered).

(b) *Financial statement audit option.* Any federally-insured credit union, whether Federally- or State-chartered and regardless of asset size, may choose to fulfill its Supervisory Com-

mittee audit responsibility by obtaining an annual audit of its financial statements performed in accordance with GAAS by an independent person who is licensed to do so by the State or jurisdiction in which the credit union is principally located. (A "financial statement audit" is distinct from a "supervisory committee audit," although a financial statement audit is included among the options for fulfilling the supervisory committee audit requirement. *Compare* § 715.2(c) and (j).)

(c) *Other audit options.* A federally insured credit union which does not choose to obtain a financial statement audit as permitted by subsection (b) must fulfill its supervisory audit responsibility under either of § 715.5 or § 715.6 of this part, whichever is applicable. *See* Table 1. For purposes of this part, a credit union's asset size is the amount of total assets reported in the year-end Call Report (NCUA form 5300) filed for the calendar year-end immediately preceding the period under audit.

Type of Charter	Asset Size	Minimum Audit Required to Fulfill Supervisory Committee Audit Responsibility ¹	Part 715 section
Federal charter	\$500 Million or more	Financial statement audit per GAAS by independent, State-licensed person	§ 715.5
	Less than \$500 Million but greater than \$10 Million	Either financial statement audit or other supervisory committee audit options	
	\$10 Million or less	Either of three supervisory committee audit options	
State charter	\$500 Million or more	Financial statement audit per GAAS by independent, State-licensed person	§ 715.6
	Less than \$500 Million	Either of three supervisory committee audit options unless audit prescribed by State law is more stringent.
